*Celebrating
70 years
of marriage*

Congratulations to John and Flo Boyle
on their 70th Wedding Anniversary!

Please join us for cake at St. Catherine's
Sunday November 6, 2022 at noon
to help them celebrate their 70 years of marriage.

Dear Family,
 In the month of November, we pray for all those loved ones who have passed away. Some of those were close to us, some not so close, some so close that their passing was very painful, and perhaps remains so. What we want is assurance that they are OK, their soul is with God.

But death is a mystery. We cannot know the eternal destiny of anyone as a certainty. To say that someone is in heaven (or in hell) is not based on Catholic teaching. What is most important to us is to know God as much as possible.

The Fear of the Lord is the beginning of wisdom. What we need is not emotional comfort, what we need is truth. We need to know God truly. We need to know if we offend God or not. We need to know that we are in need of a savior, and that savior is the Son of God, Jesus Christ Our Lord.

Being nice does not get me into heaven.

- ◆ Knowing God; loving God; then living life in that way will put me on the path to heaven.
- ◆ Getting help from the Saints both in their intercession and following their examples is necessary.
- ◆ Recognizing that the Church was instituted by Christ exactly for the purpose of getting you to heaven is extremely important.
- ◆ Receiving all the sacraments is a vital part of the pathway to heaven.

God has given you these gifts. Use them.

It is not a matter of getting approval of God. After all, God sends no one to hell, people choose to go there because in their heart of hearts, they hate God. If you love God for who he is, desire to be with him, and become a conduit of God's love to others, then it is not a surprise that such a desire becomes fulfilled.

May God richly bless you all.
 Fr. Jim Conyers

Heating issues at St. Catherine

In case you wondered why the heat was not working at St. Catherine's for the past few weeks, a little bird had become lodged in one of the pipes. Since the poor creature has been removed, the heat is now working again! Thanks Deacon Robert Holliday for helping with this!
